

## VII. Division of Child Development and Early Education (DCDEE)

Due to constraints imposed by the NC Office of State Budget and Management, the Division of Child Development and Early Education was unable to fully implement cost allocation on July 1, 2013. Program areas are funded according to the DHHS PA CAP effective July 1, 2013; however, the administrative areas continue to be a direct charge. DCDEE plans to be fully cost allocated by July 1, 2014.
